
UNION GOSPEL MISSION
2020 Annual Report

Our mission stays the same...even in a crisis.

2020 threw us some crazy curve balls. Here at UGM, we felt like we were in constant stop and adjust mode. Just when we'd accommodate one set of rules, the whole landscape changed. Quarantines. Lockdowns. And then there was the political unrest and protests. It was quite a year, but it confirmed three solid lessons: 1) We talk a lot about change at UGM, and we're usually referring to change for our residents, but this year meant change for staff and volunteers. It was a good

reminder that the changes we're asking people to make require strength and perseverance. 2) As a nation, we have not known a lot of hardship in recent years. This was a hard year. It required us to lean on God, and that's a good thing. 3) God showed up. He is always our solid rock. We can rely on Him to provide, and thanks to generous partners like you, we were able to provide consistent, safe, clean-and-sober shelter, along with love and support for people experiencing homelessness.

I hope the following pages will be an encouragement to you as you see the impact you are making. Thank you for your partnership!

“Before, I was learning about God—I knew what He was, that He existed, but it wasn’t personal. Now, through UGM, I’ve gotten to know Him. It’s actually a relationship now, and through that, God is helping me grow.”

– **Cody Eveland, Men’s Recovery**

*"Her being at UGM has really set that foundation where we can heal, and I can help her heal from the stuff that she's been hurt from by me."

“This is my work family. It’s not even a job to me. The way they welcomed me makes me want to do better, makes me want to be a better part of the whole machine. I’m really honored to get this opportunity.”

A photograph of a woman and a young child, both smiling and wearing winter hats and jackets. The woman is wearing a pink knit hat and a red jacket, while the child is wearing a purple knit hat and a purple jacket. They are standing outdoors in a snowy environment with trees in the background.

The lives of those experiencing homelessness in the Inland Northwest are changing because you've been putting your compassion into action.
