

Job Title: Counselor

Location: Men's Recovery, 1224 E. Trent Ave, Spokane

Status: Full-time

Our 16-month, in-patient recovery program consists of four 4-month phases and is designed to provide a safe environment where the residents can experience healing and restoration in all aspects of their lives. In addition to counseling and teaching responsibilities, the qualified applicant will need to be comfortable working in a community-based environment where they will be expected to model integrity, accountability, transparency and vulnerability.

Responsibilities

- Provide counseling, crisis intervention and case management for up to 12 men in the Recovery Program, integrating biblical truth into the recovery process and maintaining confidentiality according to program guidelines
- Develop a recovery plan with each client to address personal problems, addiction recovery issues, childhood trauma and spiritual issues
- Monitor and assess clients' progress toward written goals
- Collaborate with outside medical or psychological service providers when appropriate
- Lead process groups and teach classes as assigned
- Fulfill additional team duties

Required Qualifications

- 3+ years of experience with chemical dependency and addiction recovery counseling
- Working knowledge of prescribed psychotropic medications
- Experienced with Microsoft Word, Excel, PowerPoint, Outlook, and the Internet

Preferred Qualifications

- Master's-level, licensed mental health counselor or equivalent
- Trauma therapy experience; minimum of 5 years of sobriety if in recovery

Compensation: Competitive Salary for non-profits (depending on experience)

Must be committed to the Christian faith and comply with the drug-free, tobacco-free policy. Those qualified to join our team can enjoy a rewarding work environment, balanced work/life schedule, competitive wages and excellent medical, dental and retirement benefits.
