

Job Title: Service Technician

Location: Union Gospel Mission Motors – Spokane Valley

Status: Full-time

Union Gospel Mission Motors receives donated vehicles, reconditions and sells them to the public. Proceeds of our work provide food, shelter, addiction recovery and job training to people in need in the Inland Northwest.

We are looking for a highly motivated, experienced, Master ASE-certified or equivalent automotive technician capable of diagnosing and repairing many years, makes and models of cars, trucks, boats, motorcycles, RVs and ATVs. A successful applicant will work with integrity in a fast-paced environment for a great cause.

Required Qualifications

- Organized, efficient, able to produce above flat rate regularly (references required)
- Committed to the Christian faith and compliant with drug-free and tobacco-free policy
- Good verbal and written communication skills
- Proficiency with computers, programs and current automotive programs (Word, Excel, Outlook, All-Data, Mitchell, ShopKey, and others)
- ASE certifications or equivalent work history (at least 5 years as a successful flat-rate technician)
- Own your own tools
- Pass background check and have a good driving record

Benefits

- Competitive hourly wages (depending on education, experience, and meeting or exceeding industry flat-rate times)
- 403(b) retirement plan – the nonprofit equivalent to 401(k)
- High-quality health insurance, vision and dental
- Seven paid holidays and earned vacations
- Team oriented, low-stress and high-production work environment
